How to reach Venice? Frequently.Asked.Questions.

TRAIN

How to purchase tickets?
to go: Directly on the train asking the conductor.
to come back: at the first gate of the station in Venice, there is a shop called XI point (luggage storage).
Otherwise, reach the shop indicated on the map to buy tickets to go and to come back directly.

What's the name of the rout/line?
The rout is called - **Venezia Adria** - or - **Venezia Piove di Sacc**o-. Look at the timetable for more details.

Who provides the train service?
Sistemi territoriali a local company. It is not Trenitalia so you have not to purchase tickets on the automatic machine of Trenitalia.

How to get to Porta Ovest station?
By following the maps of the guide (not Google Maps or Maps (Apple) because they are not well set.

BUS

How to purchase tickets?
The easiest way is through the system Chat&Go:
Send any text to the number +39 339 990 8002 by **whatsapp**, you can also scan the QR-code to open the chat.

You will receive a message with a link to buy your tickets. Follow our guide for more details.
If you don't have Whatsapp or you want to buy a daily ticket, you can use the AVM official app (scan the QR-code below to download it and follow our instructions to use it).

Download AVM official app:

IOS APPLE   ANDROID Google

Use our guide to know how to buy tickets.

What is the name of the BUS stop and the line I have to take?
It's ORIAGO ROMAGNA. The line is the 53E. Look at the timetable for more details!

How long does it takes to arrive in Venice?
The direct rout takes 20 minutes while the other ones 30 minutes. Look at the timetable for more details!

Who provides the bus service?
The name of the company is AMV-actv s.p.a.. It's a different company than the train one.

How to get to Oriago Romagna stop?
by following maps on the guide (not Google Maps or Maps (Apple) because they are not well set.

BUS stop position. Use it to know were to get off the bus. But use the map to arrive here at the campsite!!

TRAIN STATION DIRECTION 500m

FROM OUR ENTRANCE PROCEED STRAIGHT TO THE UNDERPASS AND THE LEVEL CROSSING, PROCEED AGAIN FOR ABOUT 100m AND TURN RIGHT ON THE PEDESTRIAN ROAD (YOU WILL SEE A TUNNEL!).
